Who We Are

East Hampton Studio is a 31,000 sq ft. facility that stands in a class of it's own. Located in the Hamptons, it is the largest indoor facility in Suffolk County and can accommodate up to 3,200 people, and seat up to 1,200 for dinner. East Hampton Studio is a multi-use facility that accommodates anything from private events, Concerts, benefits, corporate meetings to motion pictures productions, TV productions, photo shoots and more.

Supported by a partnership of preferred industry leading vendors such as Empire entertainment, BML-Blackbird, Ocean Productions and more. East Hampton Studio offers turnkey solutions for every type of event or production need. Our highly adaptive spaces consist of an 18,400 sq. ft. main soundstage, a 3,500 sq. ft. studio, and the ability to erect large out-door tents. East Hampton Studio has the ability to offer multiple unique environments for your event or production.

East Hampton Studio shares ownership with The Enclave Inn Hotel Group, the largest chain in the Hamptons with three properties located throughout the Hamptons.

Past clients include Mercedes-Benz, AT&T, SCOPE Art Show, Cirque Hamptons, Steven Bauer's Show "Playtime" and his band Underground Junction, Fran Drescher's Cancer Schmancer 2011, Hamptons Rocks for Charity featuring Crosby, Stills and Nash, and motion pictures production like "Something's Gotta Give" (Diane Keaton and Jack Nicholson), "Paper Man" (Jeff Bridges), and "The Romantics" (Katie Holmes, Anna Paquin, Josh Duhamel)
